General Rules of Operation of the Philadelphia Scholastic Rowing Association

1. Membership and Rules of Participation

- a. The PSRA will have three levels of participation: Permanent Member, Associate Member, and Guest.
- b. A competing team must be comprised of student athletes who are enrolled in the same school. All Permanent and Associate Members and Guests must be Organizational Members of US Rowing for only those regattas that are “USRowing registered.”
 - i. Philadelphia City Rowing (PCR), an organization comprised solely of high schools students from the School District of Philadelphia (SDP), is granted a five-year temporary PSRA Associate Membership beginning with the 2022 race season and ending at the completion of the 2027 race season. PCR will receive all benefits and privileges afforded to Associate Members. As a PSRA Associate Member, PCR will comply with all existing and future PSRA policies and procedures and follow all rules outlined in the PSRA Rule (i.e. No rules modifications will be made to accommodate PCR beyond the stated exemption.) At the conclusion of the 2027 season, PCR’s membership in the PSRA will be re-evaluated. The PSRA may modify this exemption at any time with written notice to the president of PCR.
- c. Proposals for new members will be made at the designated Summer/ Post Season meeting when applicable.
- d. Voting of new Permanent Members will take place at the designated Fall Meeting when applicable.
 - i. Permanent Membership:
 1. Requirements for Permanent Membership include:
 - a. Program must field crews at the following levels Freshman/Novice, JV, and Varsity.
 - b. Five- Year continuous track record of PSRA participation.
 - c. Minimum of 10 Student-Athletes
 - d. Letter of Recognition from the School
 - e. Each school that is proposed for admission needs one, and only one, official sponsor school from the Permanent Membership.
 - f. In order to obtain membership the proposed school must receive an affirmative vote from 4/5 of all Permanent PSRA members, designated proxie votes included, present at the time of the vote. This vote will be conducted by secret ballot.

- g. If more teams apply for permanent status than available positions, the Membership Committee shall propose a priority order of all teams requesting Permanent status for voting. In case of ties, the Rules Committee will oversee breaking any ties by using the priority criteria of longevity of previous participation in the Flick series. This means that if there is a tie for inclusion to permanent member status, the school that has the longest documented history of participation in the PSRA, based on the permanent membership requirement of competing in at least three races annually, shall be accepted first. Successive votes are to be cast based on priority until either full subscription is achieved or all requests have been voted on.
 - h. In the event that a school does not receive an affirmative vote for permanent member status, the associated sponsor school may request an open recount of all cast votes.
2. Permanent Membership shall be deemed fully subscribed with 33 Permanent Members.
 3. Permanent Members shall have one vote per institution.
 4. Permanent Members may compete in any PSRA regatta.
 5. Permanent Members may receive priority consideration for inclusion in all racing where applicable.
 6. Permanent Members shall lose their status if they do not participate in at least three Flicks Series races and the City Championships in two consecutive years, or if they do not uphold their volunteer obligation for two consecutive years. An initial Notice of Infraction shall be issued after one year of volunteer delinquency. After two years of volunteer delinquency, the *Notice of Revocation* of membership shall be given at the Post Spring (June) membership meeting.
 7. Each Permanent Member must identify a designated minimum number of volunteers to serve in a variety of capacities. This number shall be designated on an annual basis by the Executive Committee based on each member's per capita participation in each of the previous two years.
- ii. Associate Membership:
 1. Letter of Recognition from the school.
 2. After five years of continuous participation Associate Members may petition the Membership Committee for Permanent Member Status.
 3. Associate Members may participate in all five Flick Series Races as well as the City Championships and The Robert White Regatta.

The Guest Coordinator will be a permanent member coach or designee, appointed by the Racing Committee or the Board of Directors.
5. Guests must submit the appropriate PSRA paperwork at least two weeks prior to the regatta in which they wish to compete. Once all paperwork has been received and approved by the PSRA, the Guest Coordinator will accept entries.

The Board of Directors shall award Point Trophies in the four categories listed below at the City Championship based on the cumulative results of the second, third, fourth and fifth regattas in the Flick-Horvat Series of racing. Points will be accumulated from each school's top five finishes per week that gain the maximum amount of points. A school that competes in more than one category will be permitted five finishes in each category.
 1. **The Manny Flick Trophy** shall be awarded to the men's sweep program accumulating the most points.
 2. **The Horvat Series** trophy will be presented to the men's sculling program accumulating the most points
 3. **The Brigantine Trophy** will be presented to the women's sweep program accumulating the most points.
 4. **The Kate Godwin Trophy** will be presented to the women's sculling program accumulating the most points.
- b. Point eligibility. Points will be awarded to first, second and third place boats finishing in the event.
- c. Points order/value according to Appendix B.

- 3. Season Length.** A team's ability to row on the water prior to the first Flick-Horvat Regatta shall be determined by the governing body/organization that oversees that body of water on which the team practices. For example, on the Schuylkill River, this is determined by the Schuylkill Navy, which may forbid junior rowers on the water during certain times of the year.
- 4. Regatta Rules:**
- a. The Executive Committee along with the Racing Committee will appoint a Chief Referee for each regatta. Time changes, weather delays, and cancellations will fall under the jurisdiction of the Chief Referee.
 - b. The Regatta Committee for each regatta shall be defined as the Executive Committee of the PSRA as well as the Chief Referee for each regatta.
 - i. All questions of eligibility, qualification, or interpretations of any rule shall be referred to the Rules Committee whose decision shall be made in coordination with the Executive Committee and the PSRA Board of Directors. This decision shall be final. No appeals process.
- 5. Eligibility**
- a. A rower or coxswain cannot have reached his or her 19th year prior to September 1 of that academic year, or the year in which he or she completes the 12th grade of secondary school, having been a fulltime student, whichever is later.
 - b. JV – Junior events are restricted to competitors in the junior year (11th grade) or lower. Juniors, including coxswains, must not have attained the age of 18 years prior to September 1 of that academic year. Senior (12th grade) students may not compete in Junior events.

- h. A PSRA participating competitor is allowed affiliation with only one program/team, which he/she is registered with as of the first competition of the spring scholastic racing season for the duration of the spring season, defined between March 1 and June 15 of that current calendar year, in order to participate in PSRA Regattas. His high school does not have an official team, but the school has given him permission to represent it in competitions. He may compete for both his high school and Z Team during the spring season.
