

Welcome to the
Spring PSRA Season!

Welcome novice parents and
returning families!

The Safety Team reminds you of our
guiding principles for Regatta days.

- Only cars with an official parking pass or a chuckwagon pass may enter the regatta enclosure.
- Handicapped parking requires a parking pass. Your team's coach or 'team parent' has the passes for the spring season.
- The "Safety Zone" is designated for all drop off/pick ups. Cars may not stop on Kelly Drive or Reservoir Drive to drop off or pick up athletes and spectators.
- Please do not make a U-turn on Kelly Drive.
